Preliminary Amendment

This preliminary amendment is being filed in response to the Advisory Action of 24 January 2006. As Applicants responded to the 20 October 2005 Final Office Action on 20 December 2005 and Applicant is filing a Request for Continued Examination (RCE) within one month of the mailing of the Advisory Action, Applicants respectfully assert that a one month petition for extension of time is required. However, Applicants conditionally petition for additional extensions of time to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge Deposit Account No. 50-2121 for any required fee, or for any deficiency in the enclosed fee.

The applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:

- Amendments to the claims, beginning on Page 2 of this paper; and
- Remarks, beginning on Page 6 of this paper.
